## **DETAILED ACTION**

### ***Information Disclosure Statement***

The foreign patent document listed in the information disclosure statement filed October 27, 2004 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because a statement of relevance and/or an English language translation was not provided. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609 ¶ C(1).

The applications for a United States patent listed in the information disclosure statement filed October 27, 2004 have been considered, but lined through so that unpublished application numbers do not appear on the published patent document.

### ***Drawings***

The drawings were received on September 3, 2004. These drawings are approved.

### ***Allowable Subject Matter***

Claims 1-24 are allowed.

Art Unit: 2873

The following is an examiner's statement of reasons for allowance: the reasons for allowance have been set forth in the Office Action mailed June 3, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
